Coaches of individual teams are responsible for the behaviour of their

By enrolling into this competition the participants (competitors, coaches, accompanying persons and other organizers) agree with:

- processing and recording of personal data as per Act No. 101/2000 Coll., as amended, for identification of competitors and other participants during the competition. ČSJu and the organizer commit to process these data in accordance with valid legal regulations (Act No. 101/2000 Coll., on Personal Data Protection) and to use them only in the scope necessary to meet the purpose for which the data were collected, and to always prevent any damage to the given person
- processing and publication of photographs and videos capturing the given person in relation to their participation in the competition in press or electronic media

By enrolling in the competition the participants acknowledge that:

- they participate at their own risk
- they are required to familiarize themselves with their health state and all safety rules of the competition, namely with the fact that participation in the competition is physically demanding. Furthermore, they commit to respect and follow all instructions of the competition organizer or persons authorized by the competition organizer.
- ČSJu and the competition organizer are not obliged to compensate damage to the health (injury) or property of the participant of the event or training if they act in conflict with the regulations above
- all activities or behaviour at the location of the competition that are not part of the competition participation represent a private matter. ČSJu and the organizer shall not be responsible for such behaviour or its consequences

We ask judo clubs to enrol in individual age categories of the competitions – provide the number of competitors – at uskjudo@volny.cz
